Sponsorship Pack 2026

Forum Programme

Doncaster Chamber's business forums are some of the most valuable and insightful fixtures in our events programme. Designed to bring the local business community together in a collaborative, supportive environment, they provide a platform for peer-to-peer learning, expert insights, and meaningful discussion around key issues that matter to organisations of all sizes.

Each forum offers participants the chance to share experiences, explore new ideas, and gain practical knowledge they can take back into their own workplaces. They are welcoming, interactive sessions where business leaders and professionals can connect, learn, and support one another in tackling shared challenges and opportunities.

For sponsors, our forums present a unique opportunity to be directly associated with knowledge-sharing, collaboration, and community impact. Sponsorship demonstrates your commitment to supporting business growth across Doncaster and beyond, while positioning your brand alongside values of expertise, innovation, and partnership.

Target Audience: Businesses of all sizes (SMEs and larger companies), employees, business leaders, and professionals from across the Doncaster Chamber membership.

Frequency: 3x year
