Questions & Guidance

You will be scored against these questions (Max 400 words per question).

1. Explain the vision and performance of the business/organisation, including financial performance
2. Describe how you deliver outstanding service or products within your sector. What are the expectations or benchmarks in your industry, and how do you exceed them? Provide examples and evidence of client or customer satisfaction.
3. Explain how your business has demonstrated innovation or leadership within your sector. This could include new approaches, adoption of technology, setting new standards, or influencing best practice. How have you differentiated yourself from competitors in your field?
4. Demonstrate how you maintain and develop the skills, knowledge, and expertise required in your sector. This may include training, accreditations, staying ahead of industry trends, or investing in specialist capabilities.
5. Outline the key challenges facing your sector and how your business has responded to them. How have you adapted to changes in the market, regulation, or customer behaviour while maintaining strong performance? Give examples of where individuals/or the business have shown leadership within their sector i.e. convening / representing others, being part of industry bodies etc.
6. Detail how your business contributes to both your sector and the wider Doncaster economy. This could include collaboration, supply chain support, job creation, raising standards, or contributing to the reputation and growth of your industry locally.
